

Z4 - HIGH PERFORMANCE

Z4 COMPACT USA MADE FLAP DISCS

- Concentrated grinding aid and **high performance** zirconia alumina grain with a polyester backing for exceptional cool cutting action and long life.
- Ideal for heavy duty metals such as stainless steel, alloy and aluminum.
- Recommended for severe applications where sharp edges are a challenge.
- Hybrid compact disc design - Flaps are compressed and compacted at a 4 degree angle for added edge strength during rough grinding and edge work.
- Z4 Discs - **5 to 15% more material** than Z3 regular flap discs.
