

Portable Printers Comparison Guide

BMP*21-LAB Printer (\$119)

Basic labels on continuous supply for Laboratory ID including vials, tubes, slides, plates, bottles and labels for lab equipment, storage shelves, drawers, bins, cryo, deep freezer and autoclave labels. 0.75 in. max width.

BMP*21-PLUS Printer (\$119)

Basic labels on continuous supply for wires and cables, panels, datacomm, as well as misc. industrial labels in operations, maintenance and production areas. 0.75 in. max width.

BMP*41 Label Printer (\$329.99)

Labels with more advanced text and formatting on die-cut and continuous supplies for wires and cables, electrical and automation panels and datacomm, as well as misc. industrial labels in operations, maintenance and production areas. 1 in. max width.

BMP*51 Label Printer (\$419.99)

Labels with more advanced text and formatting on die-cut and continuous supplies for wires and cables, electrical and automation panels and datacomm, as well as misc. industrial labels in operations, maintenance and production areas. 1.5 in. max width.

BradyPrinter M611 Label Printer (\$699.99)

Higher volumes of labels with more advanced text and formatting on die-cut and continuous supplies for wire and cable, electrical and automation panels, datacomm and general ID. Runs on external Brady Workstation mobile or desktop software. Features a color touchscreen with material monitoring, Wi-Fi and Bluetooth connectivity, USB 2.0 port. 2 in. max width.

BMP*61 Label Printer (\$749.99)

Higher volumes of labels with more advanced text and formatting on die-cut and continuous supplies for wire and cable, electrical and automation panels, datacomm and general ID. Features a color touch screen, QWERTY keyboard, USB connectivity, optional Wi-Fi, list management. 2 in. max width.

BMP*71 Label Printer (\$899)

Higher volumes of labels with more advanced text and formatting on die-cut and continuous supplies for wires and cables, electrical and automation panels and datacomm, as well as misc. industrial labels in operations, maintenance and production areas. 2 in. max width.
