Serve restrooms with different traffic flows, layouts and sizes with the same system

Tork PeakServe is available as standard and mini dispensers and as adapters for recessed hand towel cabinets, enabling you to meet the needs of your entire facility with the same system. And with the introduction of a new premium refill, you can now choose between two types of qualities to cater to different restroom experience requirements in different areas of your facility.

Tork PeakServe SKU 552520 / 552528

- Highest capacity dispensing system on the market

- 20% more absorbent⁶
- Attractive, visual appearance with Tork leaf

Tork PeakServe Advanced Refill SKU 105065

- Compressed hand towels allow you to carry and store twice as much

Improve your sustainability performance

Well-being

Making hygiene accessible to all users. Taking a towel is always smooth and easy with our continuous hand towel system. These hand towels are certified for short-term food contact. Our Tork PeakServe dispensers and adapters are ADA compliant and the dispensers are also certified Easy-to-use for cleaners and users by the Swedish Rheumatism Association.

Circularity

Tork PeakServe hand towels are verified compostable and Forest Stewardship Council® (FSC®) certified — the only Forest Certification recognized by LEED. This guarantees that the product is made of fibers from responsibly managed forests and other controlled sources.

More from less

50% compressed towels enable you to store more towels on the cart, save storage space, increase the number of towels per truck to reduce transportation environmental impact. Eliminate waste from stub rolls and over consumption with one-at-a-time dispensing.

Key features of Tork PeakServe:
